Brad Garlinghouse 
 @bgarlinghouse

It's been less than a week since the decision dropped, and I'm still overwhelmed with gratitude for (and hugely proud of) this team.

An unequivocal win for Ripple and for crypto in the US.

That's the bottom line.

Ripple  @Ripple · Jul 19
 After nearly 3 years, the Court's July 13 decision delivered a landmark win for Ripple and the entire U.S. crypto industry: XRP is not a security.
 Progress is worth fighting for.

Thanks to every single one of you at #Ripple for fighting the good fight till the very end. The SEC simply expected to pick another victim to bully as usual, but faced the final boss.

You changed the #Crypto space forever for the better. Legends! 🙌
